Multicultural Fairs Comes Home

Bayside Council's annual Multicultural Fair returns to the newly refurbished Eastlakes Reserve on Saturday 10 March.

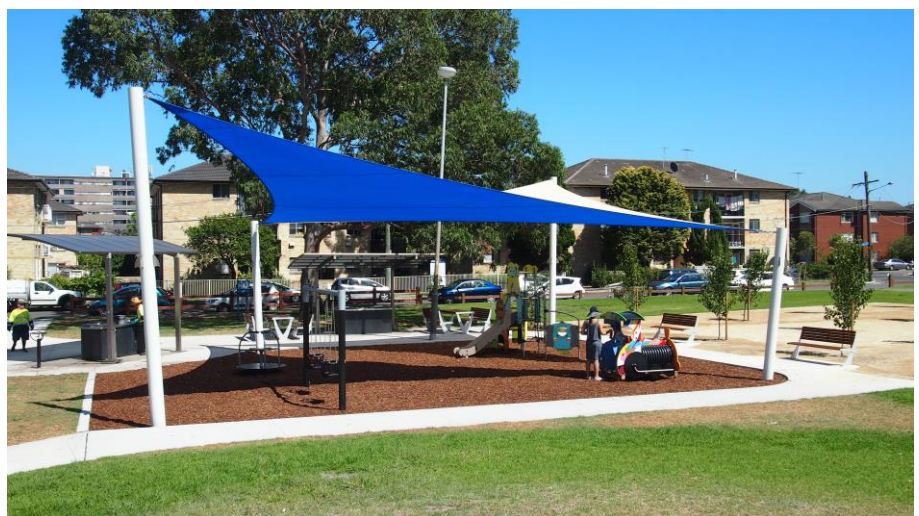

"The Multicultural Fair is wonderful opportunity to showcase the improvements Council has made to the park facilities. There is new playground equipment, extra trees and still plenty of open space for kids to run around and kick a ball," Mayor Saravinovski said.

"I am sure local residents and visitors to the Multicultural Fair will enjoy this great new community facility."

The popular Multicultural Fair is a fantastic day out for the family. Visitors will be able to learn about other cultures through an immersive program featuring:

- Song and dance.
- Info stalls about local services and opportunities
- Arts and Craft stalls
- Free kid's activities including face painting and rides
- Multicultural food stalls
