2018 Bayside Business Awards

Bayside Council in conjunction with the Bayside Business Enterprise Centre (BEC) Business Awards are looking to recognise local businesses who excel in their field. The 2018 Bayside Business Awards will recognise best business practices within specific industry categories relevant to the size of the business.

Eligibility

To be eligible to enter the permanent address of the business must be located within the Bayside Council Local Government Area. Council retains the right not to accept nominations from businesses that are, or are perceived to be, of a nature that is inconsistent with Council's values or policies; or may adversely affect Council's public image or reputation, or otherwise present a conflict of interest (for example adult themed stores or gambling venues).

Judging

Council has engaged ACA Research to judge the awards. An independent panel of judges appointed by ACA Research will review all entries. The judges reserve the right to confirm any information provided, or request additional information to assist them in making their final decision. The judges' decision is final and no correspondence will be entered into.

Presentation Dinner

A Gala Awards Evening will be held on Thursday 18 October to announce the winners. The dinner is being organised by the Bayside Business Enterprise Centre and will give all nominees the opportunity to enjoy a night out with their colleagues. It's also a great way to thank your staff. To book your tickets or a table, contact the Bayside Business Enterprise Centre on phone (02) 9316 5877 or bizinfo@botanybec.com.au
