Mayoral Minute

Councillors Christina Curry and Scott Morrissey have asked that I acknowledge the outstanding contribution from George Lundy for his dedication to junior sport development.

As a local volunteer sporting administrator, Mr Lundy and his team of supporters run a hugely popular and successful club, the Pagewood Botany Football Club. Based in Rowland Park, Daceyville, the Pagewood Botany Football Club has been a valued part of our community for over 40 years and has maintained a strong relationship with Council since its inception.

Pagewood Botany Football Club has players from the ages of 3 and 4, learning soccer skills and having fun. Children's sport builds healthy young bodies, strong minds, great teamwork and strong communities. The residents of Bayside are the beneficiaries of the success of this Club.

As an administrator, Mr Lundy is instrumental in the ongoing success of the Club and is a fierce advocate for the Club. At a time when sport and outdoor activities are being challenged by the instant gratification of computer screens, volunteers like Mr Lundy ensure that our children are able to participate in sports, including the ever popular soccer, and continue their love of physical activity to become healthy, active and productive adults.

Council thanks Mr Lundy for his outstanding contribution and dedication to junior sport development.
