On completion of this form and payment of the fee Council will:

- Advise if Council has information that indicates if the subject property is affected by flooding and/or overland flows in the 1% Annual Exceedance Probability (AEP) (1 in 100 year) flood.
- Advise if there are any minimum floor level requirements to protect the development from flooding and/or overland flows.

Type of advice required (Please select Standard OR Multiple – Change of Use only)

STANDARD ADVICE		MULTIPLE ADVICE	
Standard Flood Level Advice: Council's present estimate of the 1% AEP flood level and corresponding design floor levels, or details of the overland flow for this site	<input type="checkbox"/>	Multiple Flood Level Advice: Council's present estimate of all available flood levels or flows, for the subject site. (Note: Multiple Advice should only be selected for Change of Use development, to assist in the assessment of possible flooding impacts in the subject site and/or for use in the Economic Analysis of Flood Losses.)	<input type="checkbox"/>
Complying Development Flood level Advice: Council's advice required regarding State Environmental Planning Policy (Exempt and Complying Codes) 2008 If Complying Development Advice is required, please include a plan if available (A4).	<input type="checkbox"/>		

Please Note:

This report will be forwarded to you at the applicant's address
