Banksia Tigers Recognised by Bayside Council

Bayside Mayor Bill Saravinovski recognised the Banksia Tigers FC Men and Women Premier teams for an outstanding 2018 season at last week's Council Meeting.

Both teams finished top of the table as minor Premiers and then went on to take out the 2018 Grand Final titles.

"To be both minor premiers and premiers is a great achievement for the teams and the club," Mayor Saravinovski said.

Both teams were presented with a Mayoral Citation in recognition of their outstanding sporting season.

At the meeting young Ali Shukeir was named at the 2018 Fan of the Year and Ahlam Balaghe was recognised for her volunteer week for the Banksia Tigers.
