Rockdale City Suns FC recognised

Bayside Mayor, Councillor Bill Saravinovski recognised the outstanding achievements of the Rockdale City Suns U16A Girls team at a recent council meeting.

The team has won three consecutive premierships: As the Rockdale City Suns FC U14 team in 2016, then in 2017 and 2018 competing in the U16 competition.

Mayor Bill Saravinovski said to win one premiership title was a great achievement but to get a hat-trick took real talent.

"This group of young ladies have demonstrated what great team work can achieve," he said.

Rockdale City Suns FC compete in the St George Football Association competition.
