

ATTACHMENT 1 – SIGNIFICANT MANDATORY CHANGES (NOT IN CURRENT CODE)

Mandatory Clause
Clause 3.2 Extra-ordinary Meeting The mayor can be one of the two councillors requesting the meeting. Council's current Code also allows the Mayor to call an extra-ordinary meeting.
Clause 9.9 Mayoral Minutes Restricts the use of Mayoral Minutes to urgent and non-routine matters in keeping with the intent of the notification period ie to provide all concerned with adequate notice to consider the agenda
Clause 10.14 and 10.19 Amendments & Foreshadowed Motions Once an amendment is moved debate is suspended on the original motion while amendments are debated. This would mean that Council must vote with the amendments before going back to the original motion (if at all). Foreshadowed amendments must be debated and voted on after the substantive amendment is lost and before the original motion.
