Bayside Council
Serving Our Community

FEBRUARY 2019

Mayor's Message

Welcome to a new year and our first community newsletter for 2019.

Our Australia Day celebrations were a great success and I would like to once again congratulate our Citizen of the Year Marion Cartwright, Young Citizen of the Year Winola Su and Sportsperson of the Year Cooper Kilpatrick.

Council also held its first meeting of the year on Wednesday 13 February. I am looking forward to an exciting year ahead as I and my fellow Councillors continue to ensure the many needs of our diverse community are met.

Bayside was out in force celebrating Lunar New Year in Dacey Gardens. I would like to thank Council staff for the hard work in organising this wonderful event. It was a great opportunity to meet many residents and discuss their issues.

The Bayside Arts Festival also kicks off soon and I would encourage everyone to get involved with this amazing festival that showcases the thriving local artistic talent found here in Bayside.

Council is also gearing up to start work on a new skate park at Mutch Park. As well as providing improved recreational facilities, this park will provide a safe and challenging place for skaters of all levels to get physically active and develop their athletic skills.

Of course government elections are just around the corner and I look forward to working with our state and federal members to meet all the challenges that lie ahead.

Cr Bill Saravinovski, Mayor

Council Meetings

Held on the second Wednesday of the month (except in January).

Planning Panel

Meets on the second and fourth Tuesday of the month in the Botany Town Hall.

Council staff work hard to maintain 8km of beach along Cook Park which is raked every day during summer.

Bayside Council's Beach Anti-Litter Program is well under way with 18 new beach bins and extra anti-littering signs on the beach between Kyeemagh and Brighton Le Sands.

The bins are emptied daily and approximately 300kg of litter was collected in the first week.

"Having these extra bins near the walkways as well as on the beach is already making it easier for visitors to dispose of their rubbish. Beachgoers are doing the right thing putting their litter in these bins. This is a great achievement and helps stop rubbish entering our beautiful waterways," Mayor Bill Saravinovski said.

Another 42 beach bins and signs will be installed over the next two weeks.

This program is funded by the NSW EPA Waste Less Recycle More initiative and the state waste levy.

Council Rangers hand out litter bags and advise people how to dispose of their rubbish correctly.

AUSTRALIA DAY

Marion Cartwright was named as the 2019 Bayside Citizen of the Year at Bayside Council's Australia Day ceremony in Depena Reserve.

Mayor Bill Saravinovski presented Marion with the award in recognition

of her dedicated community work. For over 15 years Marion has nurtured a local community informally by creating a garden which provides a space for the Department of Housing estate residents to congregate.

L-R: Awards winners Marion Cartwright, Winola Su, Cooper Kilpatrick and Australia Day Ambassador Indira Naidoo.

Cooper Kilpatrick was named Bayside Sportsperson of the Year 2019. Cooper has played AFL for Ramsgate Rams Junior AFL from age of 3 and now plays at UNSW Senior AFL Club.

Winola Su is the 2019 Bayside Young Citizen of the Year. Since 2016 Winola Su has been involved in various community development projects for 2Connect Youth & Community Service (formerly known as St George Youth Service).

YEAR OF THE PIG

Bayside Council ushered in the Year of the Pig with a Lunar New Year celebration at Dacey Gardens, on Saturday 9 February.

"Lunar New Year is a highlight on our festive calendar. The Asian community is an integral part of Bayside. This celebration provides residents and visitors an opportunity to experience the beauty of Asian music, dance, and culture," Mayor Saravinovski said.

Traditional musicians, singers and lion dances entertained the crowd.

Council thanks the Confucius Institute at UNSW Australia and the University NSW Sydney for helping make this event possible.

SWIMMING ENCLOSURES

There are a number of enclosed swimming areas along our beaches. These seabed-to-surface enclosures are eco-friendly and, unlike shark nets, prevent the entanglement of marine animals.

The enclosed swimming areas are maintained and inspected monthly by Sea Dragon Protective Enclosures.

Happy Birthday

Nancy Allen celebrated her 100th birthday at the Ramsgate Senior Citizens' Centre on Wednesday 13 February. Mayor Bill Saravinovski popped in to wish her happy birthday. She also got a wonderful letter from the Queen.

Women's Cricket Premier League at Cahill Park

A Women's Cricket Premier league semi-final was played at Cahill Park on Sunday 20 January.

The game was between Gordon Women's and Sydney Women's Cricket Clubs. The Sydney team included Australian wicket keeper Alyssa Healy.

Attracting this high level of professional women's sport was a coup for Shane Kavanagh the Council greenkeeper and groundsman at Cahill Park who works hard to meet the standard needed to attract this level of competition.

In 2016 Council undertook a major reconstruction of the cricket turf wicket facility at Cahill Park. This upgrade, the first in about 34 years, rectified the uneven surface and poor drainage.

St George Cricket Association currently use this facility for summer sport with their 5th grade seniors and junior representative cricket sides.

The Arncliffe Scotts Rugby League Club also use this facility for winter sport for under 6 juniors through to the Senior A grade.

8 FEB - 16 MAR 2019

Love Your Life is the theme of this year's Bayside Seniors Festival.

Bayside Council is running a range of free events and information sessions for our seniors.

From favourites like Rock Around the Clock at Bayside to Dance and Salsa Workshops, there is something to get you moving.

The full program is available from our Customer Service Centres, libraries or Council's website.

COUNCIL'S PROJECTS

Cahill Park

Works at Cahill Park include construction of new pathways, new areas of paving, construction of a new off leash dog park on the corner of Levey Street, Rockwell Avenue and Marsh Street, a new picnic area, new park lighting and park furniture including seats, picnic settings, BBQ's, drinking fountains and picnic shelters. New landscaping and tree planting will also be installed.

Cahill Park seawall & levee anticipated completion early 2019

The seawall and levee upgrade project includes major reconstruction and retrofit of the existing seawall as an environmentally friendly seawall, construction of two new feature viewing platforms and levee works to improve flood protection to major assets within the park.

Mutch Park Skate Park

Construction of the new park is due to start soon.

The new skate park will have a footprint 1,135 m² and is a "plaza style" design that allows participation by users of a range of ages and skill levels.

Pine Park

Anticipated completion early 2019. The upgrade includes a new decorative promenade, new pathways and commuter cycleway, a new carpark featuring porous pavers.

The existing seawall has been repaired, new balustrades and park furniture installed. There will also be new picnic areas, outdoor showers and landscaping with new trees planted.

Pool Figures Swell

Botany Aquatic Centre attendance figures are up this season following the introduction of 'Movie and Pizza Nights' and free inflatables on Australia Day.

"Our movie nights are attracting around 300 visitors, while Australia Day saw a record crowd of over 2000," the Mayor said.

"These numbers reinforce what the community told us in our recent survey on the pool. Almost 400 responses were received and the majority said they wanted to keep the open space and to use it for more family and community focussed activities. The second most popular request was for a child friendly water feature."

Working at Bayside

Did you know that Council's outdoor staff care for more than:

- 365 km** of road surface
- 677 km** of kerb and gutter
- 588 km** of paved footpaths
- 5,986** drainage pits
- 374** parks and sporting fields

#Mascot100

Sydney Airport will be turning 100 towards the end of this year.

Crowds surrounding the Vickers Vimy at Mascot (State Library of South Australia).

Originally known as Mascot Aerodrome, its existence has had a tremendous impact on the local community. As the home of Sydney Airport, Bayside has a unique and multi-layered history to tell.

Our History Team is looking for your airport related stories, photographs and memorabilia for an exhibition later this year. Email: museum@bayside.nsw.gov.au

Summer Reading Success

This year the Preschooler Summer Reading Club saw 230 participants read 2866 books.

Parents who registered for the program and read 5 books or more were invited to a morning tea with prizes.

“This is a wonderful result and I would like to thank all parents and carers who took part. I would like to thank our library staff who do a tremendous job. It’s important that children are introduced to books from an early age,” Mayor Bill Saravinovski said.

Rockdale and Eastgardens early literacy programs are now taking bookings. Bookings will open on the day before each scheduled session.
