

Complying Development Application, Appointment of Council as PCA and Contract for Certification Work Form

Document Number:

PART 1: Complying Development Certificate Application

Environmental Planning and Assessment Act 1979

CDC Number

_____/_____

Information for the Applicant

To complete this form, fill out the other sections as appropriate and provide a CD or USB with all the documents and plans indicated in the form as being required to be provided. To minimise delay in receiving a decision about the application, please ensure that all relevant information and documents/plans are provided.

- Once completed, this application form may be submitted to Council for determination.
- It is recommended that applicants should obtain a planning certificate issued under s.10.7 *Environmental Planning and Assessment Act 1979* from Council.
- A single application for a CDC may be made for development comprising the concurrent construction of new single storey or two storey dwelling houses if each is to be erected on existing adjoining lots.
- If the certifying authority issues a CDC, the Applicant (or a subsequent owner of the land on which the development is proposed to be carried out) has permission to carry out the development without the need to obtain further development consent.

However, depending upon factors such as the type of development, the location of the development and whether there will be external work or activities involved (eg. road opening, use of footpath areas) there may still be a need to obtain other approvals in order for the work involved to be performed. A list of the possible additional approvals that may be required can be obtained from the Department of Planning & Environment at www.planning.nsw.gov.au. In order to avoid potential delays in commencing any work, Applicants should ascertain whether other approvals will be needed, and if so, the stage at which they will be required.

In order to ensure a speedy and efficient assessment of your application, **we strongly recommend that you consult with a Council Officer before lodging this application to determine your proposals specific requirements**. The Duty Officers at Council's Customer Service Centre can advise you on relevant planning and building controls and provide preliminary advice on your proposal. These staff are available in person by calling into the Centre or by phone on 1300 581 299.

How to Lodge this Application

This application, once complete, can be lodged at Council's Customer Service Centres on any business day up to 4pm and 9am - 12.30pm on Saturdays (excepting public holidays). Please ensure that all the necessary information is submitted. If your application is incomplete, it will not be accepted and will be returned to you with your payment.

Contract for Certification Work

PART 2 represents a *Contract for Certification Work*, in accordance with section 73A of the *Building Professionals Act 2005*. The contract is between Bayside Council and the Applicant specified in the "Applicant Details" section in Part 1.

The person for whom the certification work is to be carried out has the same address and contract details as specified in the "Applicant Details" Section in Part 1.

This contract relates to the following certification work:

- The carrying out by Bayside Council of the functions of a Principal Certifying Authority (PCA) under the *Environmental Planning and Assessment Act 1979* (EP&A Act) in relation to the Development (as specified in the "Description of Development" section in Part 1);
- Application and determination of a Construction Certificate;
- Application and determination of an Occupation Certificate;
- The carrying out of inspections for the purposes of S 6.5 of the EP&A Act;

Details and particulars of the:

- development,
- address, and formal particulars of title, of the site of the development;
- particulars in respect of any related development consent;
- particulars of any plans the subject of any related development consent,

are contained in Part 1, under the sections "Details of Development" and "Property Details", unless otherwise specified as follows.....

Applications for a Construction Certificate and Occupation Certificate will be assessed and determined by a Council Building Certifier (accredited by the NSW Building Professionals Board), in accordance with the relevant requirements of the EP&A Act and the *Building Professionals Act 2005*.

The Certification Work specified above, including the carrying out of required inspections under the EP&A Act, will be carried out by one or more of the following Council Building Certifier (accredited by the NSW Building Professionals Board) on behalf of Bayside Council.

Name	Position Title	Accreditation No.	Contact Details
Tim DeBeck	Senior Building Certifier	BPBI350	1300 581 299
