Dear Sir/Madam

**Re: Preddys Road eastern kerb line north of Canonbury Grove - proposed 'No Stopping' restriction.**

We wish to propose the following:

- *That the 'No Stopping' zone on the east side of Preddys Road, Bexley North, just north of Canonbury Grove be extended by 40m to improve stopping sight distance due to the slope of the street causing difficulty viewing on-coming traffic for motorists existing Canonbury Grove in conjunction with the high level footpath. Additionally, the current footpath along the proposed 40m 'No Stopping' zone has a steep cross and longitudinal fall, which does not support a safe landing for pedestrians exiting vehicles into the footpath.*

We would like to hear your views on the proposal as it might affect you. Please provide the feedback or suggestion to [council@bayside.nsw.gov.au](mailto:council@bayside.nsw.gov.au) or by post to the Traffic and Road Safety Team, Bayside Council, PO Box 21, Rockdale NSW 2216. The submissions must be made in writing before 15 March, 2019.

Submissions may be made available to the public if we receive a request under the Government Information (Public Access) Act 2009.

If you would like more information, please contact us on 9366 3816 or email to us at [council@bayside.nsw.gov.au](mailto:council@bayside.nsw.gov.au)

Yours faithfully
