Dear Sir/Madam

Proposed: 'No Stopping, 3.30pm-6pm, Mon – Fri' restriction in Shaw Street

We have received a request for the provision of 'No Stopping, 3.30pm-6pm, Mon – Fri' restriction along the northern kerb line of Shaw Street, Bexley, between Bexley North Library to Bexley Road. It is suggested that installing this zone would enable smoother traffic flow during peak times and improve safety in Shaw Street.

We would like to seek your opinion, as the proposal might affect you. Please complete the questionnaire and return it to Council either via email to council@bayside.nsw.gov.au or Bayside Council Traffic and Road Safety Section on PO Box 21, Rockdale NSW 2216, before 28 February 2019.

Please be advised that due to the terms of the Government Information (Public Access) Act 2009, Council is not able to guarantee the privacy of any written submission if access to it is requested.

Yours faithfully

Pintara Lay
