Community Recycling Success

Council's first Community Recycling Drop Off for 2019 was a great success.

Council staff assisted one resident vehicle every two and a half minutes during the Community Drop Off at Bexley Depot on Saturday 2 February.

The following items were dropped off by the community, separated by Council staff and then collected by the appropriate re-use or recycling organisation:

- 1,680kg of green waste
- 7 cubic metres of e-waste
- 6 cubic metre of metals and white goods
- 160 kg of large cardboard
- 100 kg of clothing
- 32 tyres
- 12 gas bottles
- 10 mattresses
- 6 empty paint tins
- 3 large toner cartridges
- 2 lots of x-ray film

The next Community Recycling Drop Off will be at the Botany Depot on Saturday 16 February.
