# Recreational, Open Spaces and Sports Grounds Conditions of Use

---

Permit holders are bound by Council's Recreation and Community Facilities Management Policy. Council will retain ownership and control of all its Recreation and Community facilities, as well as any facility or external sports ground infrastructure items constructed or improved through collaborative arrangements to ensure sustainability of these assets. This policy statement applies to all Recreation and Community facilities owned or managed by Council. A copy of Council's Recreation and Community Facilities Management Policy is available on our website at [www.bayside.nsw.gov.au](http://www.bayside.nsw.gov.au). Please ensure that you have read and understand this policy prior to signing this agreement. If you have any questions or concerns, please do not hesitate to contact Council's Recreation Booking Officer on 1300 581 299.

It is the responsibility of the hirer to inspect the facility to ensure it meets the requirements prior to booking.

## **Payment**

- 1) The Permit holder shall pay a rental fee and/or administration fee in accordance with Council's Adopted Fees & Charges.
- 2) Failure to pay the required fees prior to the collection of the Permit by its due date will result in the permit being cancelled.
- 3) All fees are to be paid prior to the issuing of any permits.
- 4) A refundable key deposit is payable in advance by all users wishing to have keys for Council facilities and amenities blocks, in accordance with Council's Adopted Fees & Charges.

## **Risk Management and Work Place Safety**

- 5) All hirers are to undertake pre use, pre-practice and pre-game inspections and make decisions on the grounds fitness for use. Hirers must inspect any structures and in ground sprinklers etc for safety prior to use and ensure that all equipment is firmly secured. Any unsafe facilities or grounds should not be used and should be reported immediately to Council. Further, any difficulties with night training lights should be immediately reported.
- 6) Should an accident, injury, loss of property or damage occur whilst using the facilities or grounds, the organiser must notify Council's Coordinator WH&S and Risk Management within seven (7) days.
- 7) The organisers must maintain an emergency access at all times.
- 8) Proper supervision to be given at all times to ensure other park users are not put at risk.
- 9) In case of Wet Weather, permit holders must ring the Wet Weather Hotline 9562 1637 for Bayside West and for 9366 3631 Bayside East before games are played. Information on this hotline must be strictly adhered to.
- 10) Unless specified otherwise, a Public Risk Insurance Cover, in the sum of \$20,000,000 is required. The policy must be endorsed to include Bayside Council as a joint insured and containing a "cross liabilities" clause, being held by the applicant and the Council for the duration of the season. An updated Certificate of Currency to be forwarded to Council prior to the permit being handed over. Failure to produce proof of such cover will cause this permit to be withdrawn without notice.

- 11) All groups and individuals overseeing activities with children should ensure they have in place valid working with children approvals.
- 12) All regulations in regards to workplace safety must be met in accordance with the WH&S Act 2011.

### **Code of Conduct**

- 13) Regular complaints as a result of poor behaviour and or misuse of Council facilities or grounds may result in the immediate cancellation of the permit and will impact on any future usage.
- 14) It will be the responsibility of the permit holder to control the conduct of any players, supporters, visitors, spectators or any person associated with the activity on site and comply with all reasonable directions to the satisfaction of the Director of City Services or other authorised officer.
- 15) Permit holders will nominate and provide to Council the names of two representatives who will be Council's point of contact.
- 16) All users of Council's recreation and community facilities are financially liable for any additional cleaning required or damages sustained to Council property or sports fields whether through their own action, or the actions of their contractors, participants and visitors attending any activity they have organised. Damage of a significant nature will result in all future bookings held by the offending organisation being cancelled.

### **Food and Alcohol**

- 17) No alcoholic beverages to be taken onto Council premises, Reserves or adjoining areas. Organisations and sporting clubs with a liquor licence require permission from Council to serve alcohol on the premises. Sports clubs and Organisations cannot under the NSW Liquor Act give permission to, allocate the licence to, or allow groups not named on the licence to serve alcohol on Council premises.
- 18) No food is to be sold without prior permission of Council. Any food sold on the premises must be handled in a manner that complies with the requirement of the Food Act 1989 and the Food Standards Code Standard 3.2.2 – Food Safety Practices. A copy of notice to the Food Authority is required by Council.

### **Smoking**

- 19) Smoking is prohibited in all Council owned and operated buildings and facilities.

### **Noise**

- 20) The permit holder may only allow amplified sound equipment to be used provided that it does not cause a noise nuisance or unreasonably interfere with the residents of neighbouring properties or other persons not attending this function. Use the designated areas in such a manner that no nuisance is caused and no offensive noise and in particular will not provide or permit any entertainment or operate loudspeakers or transmit music after 10:00pm nightly.

This permit does not allow the permit holder to cause "Offensive Noise" as defined in the Protection of the Environment Operations Act 1997. As a guide to preventing a nuisance arising, the following suggestions may assist:-

Announcements and music should only be amplified to a level that is sufficient to reach the perimeter of the event:

- Deep base sounds should be avoided as they tend to travel further than higher frequencies.
- Speakers should be directed downwards and inwards and away from surrounding properties.

- The amenity and comfort of the neighbours should be respected.

An instruction given on the day by an Authorised Officer of the Council, a Police Officer or an Officer of the Environment Protection Authority to cease making noise which, in the opinion of the officer is offensive, must be complied with. Authorised Officers have the power to serve a verbal Noise Abatement Direction which, if not promptly complied with, can result in the issue of a Penalty Infringement Notice or serious contraventions, prosecution in the Local Court.

### **Facility Management, Ground Access and Cleaning**

- 21) No vehicles to be taken onto Reserves / Open Spaces without written permission from Council.
- 22) Following each use, the Reserve is to be left in a clean and tidy condition. Where access to canteens or change rooms has been provided these must similarly be left in a clean and tidy condition. Failure to do so will result in an invoice being sent for cleaning costs incurred by Council.
- 23) Where access to canteens, change rooms or other amenities is provided as part of this permit, the key's are to be returned to Council at the end of the permit period so these facilities may be allocated to other users.
- 24) Where access to canteens, change rooms or other amenities is provided as part of this permit, the permit holder will take all reasonable steps to provide access to Council Officers from time-to-time (if required).
- 25) Permit holder to report all defects and risks to Council.
- 26) If the ground or facility is used for cross country/fun runs, group fitness activities or athletics, care must be taken to ensure the general public utilising parks are not inconvenienced. Failure to comply with this condition may cause this permit to be withdrawn.
- 27) Whilst Council endeavours to provide adequate toilet facilities for its grounds, it is the responsibility of Organisations hosting large event/ activities to provide additional port-a-loos to ensure adequate standards of hygiene are maintained.
- 28) Organisers must maintain an emergency vehicle access at all times
- 29) All parking regulations must be maintained
- 30) Refrain from parking on Public reserves, grass verges and footpaths of any thoroughfare.

### **Cancellation**

- 31) Ground(s) is/are allocated on the understanding that no refund will be made for non-use, once allocated which includes closure due to wet weather. Council may at its discretion, however, cancel any allocation where further use may cause ground deterioration or unsafe conditions. In this instance an alternative ground may be provided or, should no suitable ground be available, a refund given.
- 32) Council reserves the right to close all facilities and grounds in extreme wet weather conditions, where recommended by the Bureau of Meteorology or relevant emergency service.

### **General**

- 33) There is a possibility that some facilities (amenities, buildings and car parks) may be disrupted during the period of this permit in order for them to be refurbished or upgraded. Although this is not certain at the time this permit is issued, it is Council's intention to give advance notice of any short-term temporary arrangements that may be necessary to ensure.

- 34) Council reserves the right to alter any arrangements made in view of future ground maintenance and redevelopment. If this needs to occur it is Council's intention to give advance notice of any short-term temporary arrangements that may be necessary to ensure the safety of ground users.
- 35) The instructions of Council's Inspectors, Officers and the Police are to be strictly adhered to.
- 36) Any breach or failure to comply with the above conditions will result in the immediate cancellation of this permit.
- 37) Council reserves the right to include additional conditions to permits were deemed necessary by Council.
- 38) Where possible and excluding seasonal allocations and those applications requiring approval of traffic management plans; Council will endeavour to process all applications within three working days following receipt of application.

### **Fireworks / Filming**

- Council will endeavour to process filming applications within (5) five working days were possible.
- Council can assist with on line payment facilities for complete Filming applications received more than 14 working days prior to filming. Otherwise payment must be made in person at time of collecting permit to Council in the form of either in the form of a bank Cheque, Cash, Credit Card or Eftpos. Irrespective of transaction type all payments must be made in full prior to permit being issued.
- Traffic Management Plans are to be provided at time of applications. In cases of major road closure approval from RMS is required at time of application. Applicants must refer to Bayside Council's website [www.bayside.nsw.gov.au](http://www.bayside.nsw.gov.au) for an 'Application – Work Activities on Council Sites'. To find the form, go to the Homepage, click on 'Application Forms', click on 'Engineering Forms'.
- Ensure no obstruction or interference with the free-flow of traffic including pedestrian in any public thoroughfare
- Where the event interferes with free-flowing traffic, the organisers to have an approved Traffic Management Plan in place and notify the police
- Refrain from parking on Public reserves, grass verges and footpaths of any thoroughfare.
- In the case of fireworks advance written approval should be sought from Work cover NSW, with fire work displays being conducted by a registered pyrotechnic company.
- Fireworks organisers MUST notify the local police, fire brigade, ambulance and civil aviation authority of intent, have in place a site plan, risk assessment and Aus \$20million Public Risk Insurance. The risk plan should be lodged with Council 28 days prior to the event.
- No fireworks displays can occur after 9.30pm or during a total fire ban
- In the case of Filming, any footage produced as a result of the conduct of the filming in this location, must be used in good faith and cannot be used for malicious purposes that could result either in litigation against Council or bring Council into disrepute.
- In both cases appropriate notification by letter box drop to all residents and businesses in the vicinity is to occur, one week prior to commencement.
- All Filming applicants must refer to the code of conduct outlined in the Local Government Filming Protocols.
