## New Gateway Signs

---

Council is installing new gateway signs around Bayside.

The first sign has been installed at the intersection of Bexley Road and Kingsgrove Avenue in Bexley North.

The remaining three signs will be installed at:

- Princes Highway Wolli Creek
- General Holmes Drive Mascot, near the airport
- Darcey Gardens off Gardiner's Road, Daceyville.

The metal plinths include an acknowledgement of the traditional owners of the land and have been designed acquire a patina that will change over time to more closely reflect the rich ochres of a traditional Australian landscape.
