

# Micro Pouch Liners

Used for glider and possum joeys.

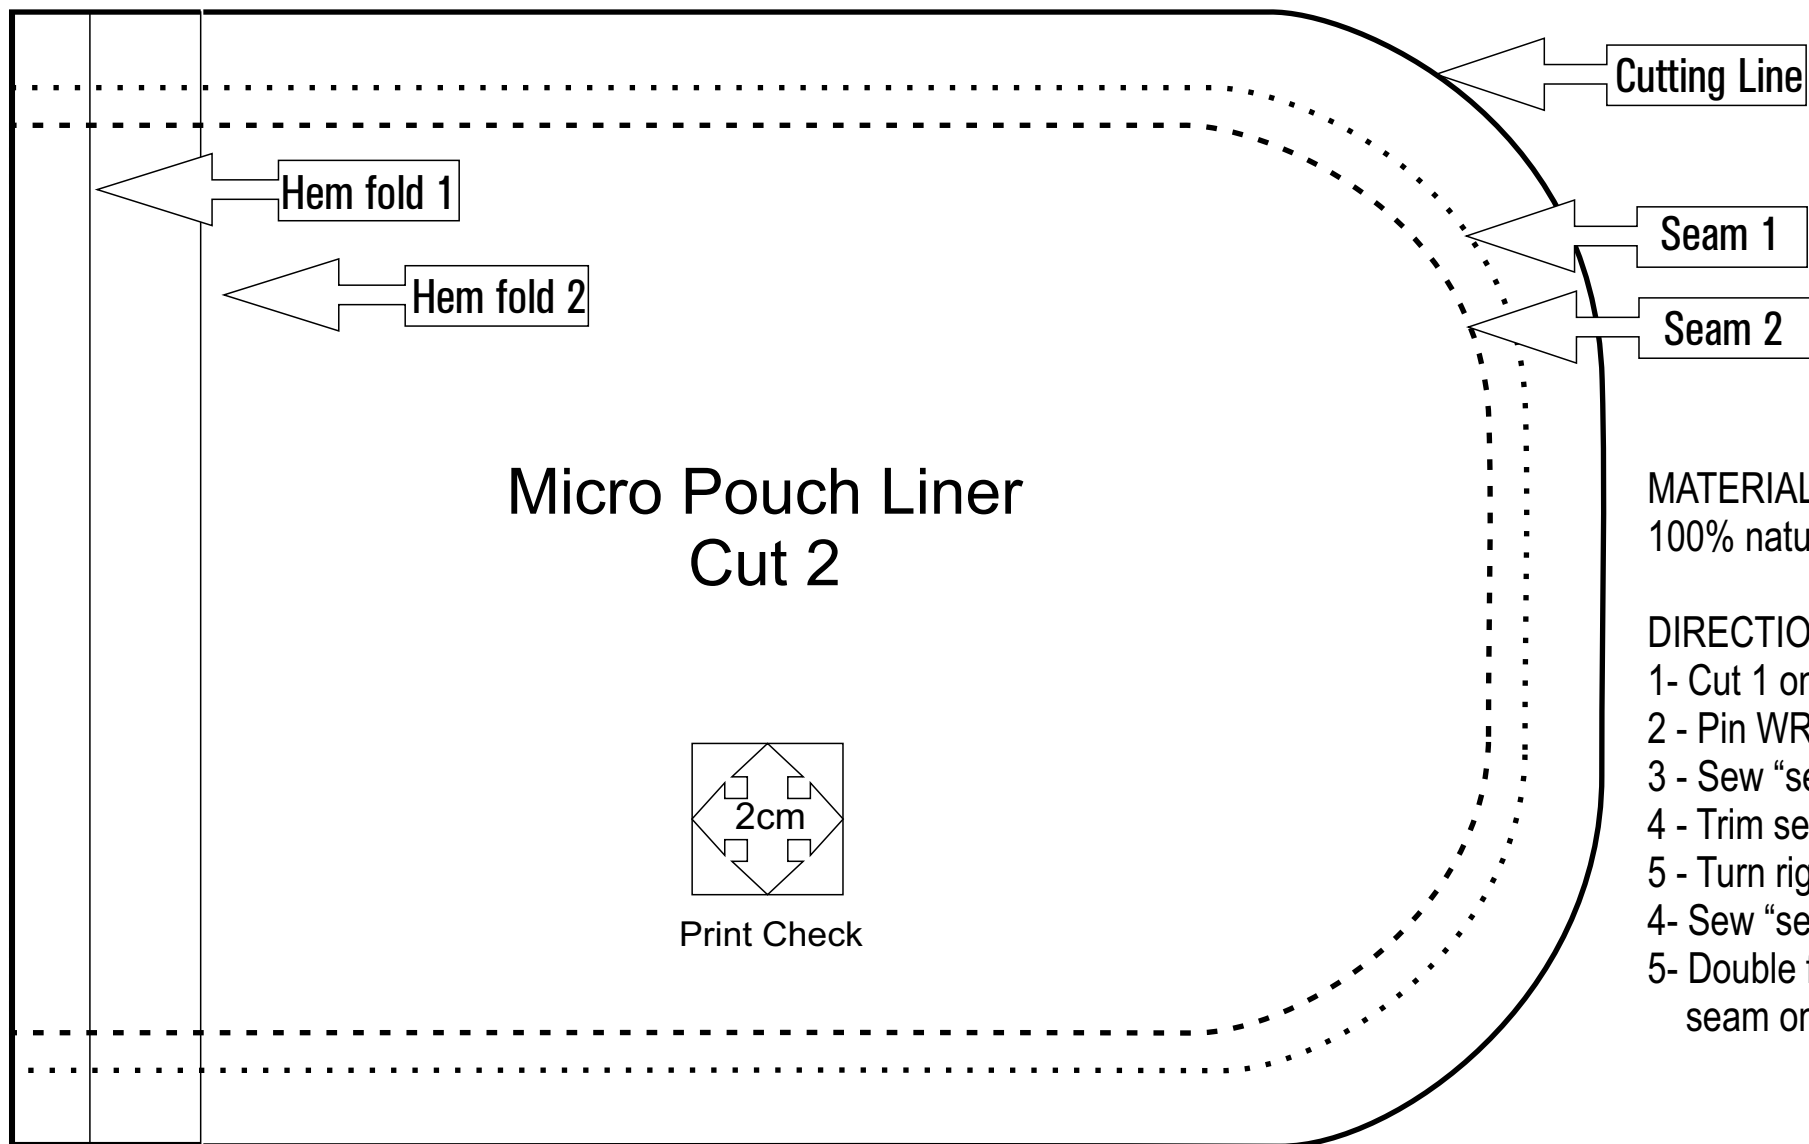

Required for knitted/crochet pouches made by other crafters

Materials - 100% natural fibres eg cotton, bamboo. “Baby soft”  
Recommended -100% cotton flannelette, perfect for upcycling flannelette sheets..  
Finished size - 12cm wide, 17cm long.

For liners RIGHT side is the softest side (potentially the unprinted side) and will be INSIDE the completed pouch liner. The inside of the liner should be the “soft” side of the fabric and be completely seam free.

# MICRO POUCH LINER Version 1

For possum joeys, NOT for Microbats  
Dimensions are important as the liners need to fit snugly in the outers.  
Finished dimensions 12cm wide and 17cm long.  
Liner includes a 5cm turndown that goes over the completed Outer

**MATERIALS**  
100% natural fibre-"Baby soft"

**DIRECTIONS**  
1- Cut 1 on fold ,  
2 - Pin **WRONG** sides together  
3 - Sew "seam 1"-1cm from edge.  
4 - Trim seam to 3mm wide,  
5 - Turn right side in.  
4- Sew "seam 2"-0.5cm from edge.  
5- Double fold hem top edge with  
seam on the outside.

# MICRO POUCH LINER Version 2

This version is designed to be cut on a fold at bottom edge.  
Dimensions are important as the liners need to fit snugly in the outers.  
Finished dimensions 12cm wide and 17cm long.  
Liner includes a 5cm turndown that goes over the completed Outer
