

The Fix it Sisters Shed works in partnership with community and individuals to inspire and mentor women of all ages to develop and build their creative and practical skills to build a better world. ***For more information please visit: Instagram and Facebook: @fixitsistersshed.***

Some of the work Fix it Sisters are currently working on includes:

- Mentoring partnership programme for Year 6 students with Arncliffe Public School and hoping to expand to other local primary schools such as Kyeemagh Public School.
- Partnership project with NSW National Park and Wildlife Service to build burrows to provide shelter for penguins at Lion Island, Snapper Island and Eden as their natural habitat has been largely destroyed by bushfires over the years.
- Partnership with Bayside Council Environment team to deliver workshops on how to build possum boxes, bee hotels, etc for local residents.
- DIY home repairs & basic carpentry workshops such as use of power tools, DIY home projects for women and girls living in the Bayside LGA.

3Bridges Community Ltd:

MCSP - Dementia Meeting Centre Support Program

- A comprehensive support program for people at the early stage of dementia and their families that was developed in the Netherlands. It integrates all the different support services for both the person with dementia and their carer. This includes increasing their social network to reduce isolation, respite for carers, increase carer awareness and understanding of dementia and coping strategies to deal with behavior changes and supporting both the carer and the person with dementia to come to terms and acceptance of their diagnosis.

RTO - Registered Training Organisation

- We provide Australian Skills Quality Authority approved VET (Vocational Educational and Training) courses for people looking to start a career in community services. Courses range from Certificate IV in Ageing Support and Disability to a Diploma of Community Services.

National Disability Insurance Scheme (NDIS)

- Our NDIS team has a strong presence in South East Sydney working with people with disabilities and their families to navigate and understand NDIS and get the support they need to lead independent lives as members of the community.

Volunteer with 3Bridges

- We have an amazing team of volunteers throughout the St George and Sutherland Shire who are making a difference to their communities each week. Our volunteers provide help with shopping, social services, community outings, English classes or providing JP services.

Community Events

- 3Bridges hosts one off community events to celebrate Harmony Day, International Women's Day, Youth Week, Australia's Biggest Morning Tea, etc. It's a great opportunity for the whole Bayside community to come together to celebrate and connect with your neighbours.
