

Values

The following values were developed by Bayside Council employees and underpin our shared commitment in delivering our vision for the future.

The values guide us and define how we strengthen our working environment to deliver on the aspirations of our community.

- **Visionary Leadership** - We are all leaders - decisive, outward focused and forward thinking, setting the vision for Bayside Council today and into the future
- **Empowered People** - We are courageous and innovative - committed to making a difference in our work
- **Meaningful Relationships** - We support and invest in each other - creating a strong collaborative culture
- **Exceptional Service** - We go above and beyond – delivering an outstanding customer experience every time

Primary purpose of the role

Provide delivery of health and environmental compliance activities to ensure the health and wellbeing of the community.

The role is responsible to inspect and monitor all surveillance activities for regulated premises to ensure legislative and regulatory compliance.

Key accountabilities

Within the area of responsibility, this role is required to:

- Carry out scheduled inspections of regulated premises and activities in line with Council's operational plans.
- Assess and provide advice on development applications and Construction Certificates referred from other Council Business Units to ensure compliance with relevant legislation and standards.
- Issue penalty infringement notices, instigate legal proceedings and represent Council to provide evidence in court when required to obtain the required compliance outcome.
- Respond to customer requests regarding issues related to public health, environmental health and environmental protection to provide timely outcomes.
- Report regularly to the Coordinator Health and Environmental Compliance on results achieved against targets to meet Council and statutory reporting requirements.
- Liaise with consultants and review reports provided on health and environment issues to ensure consistency with applicable legislation and regulations.
- Provide expert advice and information to the community, Council and other stakeholders to raise awareness of community safety matters and keep them informed of relevant legislative and policy requirements and changes.
- Provide support, guidance and coaching to other team members to assist build team capacity in the delivery of environmental compliance activities.
- Promote the positive and collaborative culture and values of the organisation through open, fair and transparent decision making and ethical, professional behaviour.
- Work in collaboration with and assist the team, manager and other key stakeholders to achieve business unit goals, work requests, demands and Council priorities.

Key challenges

- Identifying and resolving customer issues and concerns given the need to provide a timely and appropriate responses to customers and stakeholders.
- Undertaking compliance activities in a manner that ensures our natural environment is protected from harm.
- Balancing community expectations, staffing and resources and government requirements in a politically sensitive environment.
- Delivering value for all stakeholders in an ethical, social and environmentally responsible manner.
- Maintaining up to date knowledge of regulatory and policy changes applicable to team investigations practices and processes.

Role Dimensions

Decision Making

- The role is accountable for the delivery of initiatives and activities on time, and to meet expectations in terms of quality, deliverables and outcomes.
- Accountable for implementing the decisions made by the governing body, General Manager and Directors of Council.
- Guided by Council-agreed strategic plans, statutory guidelines and relevant legislation.
- Determine day-to-day priorities in line with agreed work team and Council plans.

Essential Requirements

- Relevant tertiary qualifications and/or equivalent experience in a relevant field.
- Knowledge of relevant legislations, regulations, statutory authority guidelines and standards.
- A SafeWork NSW white card (general construction induction card).
- Current Driver's Licence Class C
- Carry out inspections and health surveillance after normal business hours as required.
