Things you might include are the name of the place, where you found the photographs, what dates were the photographs taken, why you chose this place, and something you find interesting about the history of the place.

Gardeners Road Public School

Gardeners Road Public School was established in 1882.

There were gardens all around the area. Fruits and vegetables were grown and sold at the local markets. This is the reason the School was given this name.

During the early years there were up to 200 students in one classroom. In the early 1900s there were 1700 students. It was a school with p.
