

Road upgrade at intersection of Wentworth Avenue and Sutherland Street, Mascot, from Sunday 2 June 2024

June 2024

Transport for NSW acknowledges the Traditional Custodians of the land on which we work and pays respects to their Elders past and present.

The NSW Government is carrying out this essential work as part of ongoing maintenance and improvements to the State road network.

Transport for NSW will be extending the westbound right turn bay at the intersection of Wentworth Avenue and Sutherland Street, Mascot, to create a longer right turn lane for vehicles and to improve traffic flow.

Please refer to detailed map overleaf.

What work are we doing?

The work will include the construction of a new median kerb and pavement, and repainting of road markings.

When we will be working

To ensure the safety of our workers and minimise the impact to road users and residents, this work must be done at night.

We will be onsite for **up to 25 night shifts** between **Sunday 2 June** and **Friday 2 August 2024**, for up to five nights in a row. Exact dates are dependent on the weather.

We will work from Sunday to Thursday, between **8pm and 5am**.

Work will not be scheduled on Fridays, Saturdays, or public holidays.

Managing our impacts

It may be noisy at times, but we will do everything we can to minimise noise impacts by having control measures in place.

Measures to reduce noise will include:

- turning off equipment when not in use
- using noise blankets for high noise activities
- where possible positioning equipment away from homes and businesses
- completing high noise tasks by midnight.

Traffic changes

There will be temporary traffic changes to ensure that the workplace is safe.

Partial lane closures will be in place along the construction zone and may affect travel times.

Access for vehicles, including buses, will be maintained throughout the work period, and access to homes and businesses will be maintained.

Please follow the direction of assigned traffic controllers and signage, and keep to any reduced speed limits displayed.

Location of work on Wentworth Avenue, Mascot
