1 Introduction

Effective media engagement can assist Council to keep the community informed, explain decisions and promote community confidence in Council and its decisions.

The term “media” used in this policy means print, broadcast and online media used for communicating information to the public, including, but not limited to, newspapers, magazines, internet publishers, radio, and television broadcasters.

The advancement of technology and the development of non-traditional media means that the media now has unprecedented reach and accessibility. Anyone with a computer or hand-held device can access media platforms and actively engage in content which has the potential to be viewed and shared by hundreds of millions of people worldwide.

How Council is portrayed in the media impacts greatly on how the organisation is perceived. Media can be an effective tool to promote Council programs, events, and initiatives. In addition, media can be invaluable in times of crisis or emergency when information needs to be communicated to the public.

Despite its obvious benefits, media also presents a variety of challenges and risks. These include:

- maintaining the accuracy, reliability, and integrity of information
- ensuring confidential information is managed appropriately, and
- the increased exposure and risk to reputation where information is not managed appropriately.

1.1 Content of the Media Policy

At the heart of the Media Policy are the four ‘principles’ of media engagement. These are:

- Openness
- Consistency
- Accuracy
- Timeliness.

These principles, which are expanded upon in Part 1, should underpin every aspect of Council’s media engagement and all Council officials should commit to upholding them.

This policy applies to engagement between Council officials and the media. It does not apply to social media use. The Social Media Policy covers this aspect of media.

2 Principles

We, the Councillors, staff, and other officials of Bayside Council, are committed to upholding and promoting the following principles of media engagement:

- **Openness** We will ensure that we promote an open exchange of information between our Council and the media.
- **Consistency** We will ensure consistency by all Councillors and staff when communicating with the media.
- **Accuracy** The information we share with the media will be a source of truth for our Council and community and we will prioritise the need to correct inaccuracies when they occur.
- **Timeliness** We will ensure that we respond to media enquiries in a timely manner.

3 Administrative framework for engagement with the media

3.1 Appointment and role of the Media Coordinator

The General Manager will appoint a member of Council staff to be the Council's Media Coordinator. The Media Coordinator should be a suitably qualified member of staff.

- c) liaise with relevant staff members within the organisation where appropriate.
- d) ensure that media statements are approved by the General Manager prior to their release
- e) develop and/or approve media training and/or induction to be provided to relevant staff and/or Councillors
- f) maintain a record of all media enquiries and responses

5 Who can engage with media

5.1 The General Manager

The General Manager is the official spokesperson for the Council on operational and administrative matters.

The General Manager may delegate to other Council staff to speak on their behalf where appropriate, (for example, where the delegated staff member has professional expertise regarding the subject matter, or the General Manager is unavailable).

5.2 The Mayor

The Mayor is the principal member and spokesperson of the governing body of the Council, including representing the views of the Council as to its local priorities (section 226(c) of the Local Government Act 1993).

If the Mayor is unavailable, the Deputy Mayor may act as the Council's spokesperson.

The Mayor may delegate their role as spokesperson to other Councillors where appropriate, (for example, where another Councillor is best placed to comment, because the issue is of particular interest to them, or it is within their particular area of expertise).

5.3 Councillors

As a member of the governing body and as a representative of the community, Councillors are free to express their personal views to the media.

When engaging with the media Councillors:

- must not purport to speak for the Council unless authorised to do so.
- must clarify when speaking to the media that they are expressing their personal views as an individual Councillor and that they are not speaking for the Council (unless authorised to do so)
- must uphold and accurately represent the policies and decisions of the Council.
- must not disclose Council information unless authorised to do so, and
- must seek information and guidance from the General Manager or Media Coordinator where appropriate before providing comment to the media to ensure they have the most up-to-date and relevant information and have considered reputational or other risks.

In the interests of promoting a positive, safe and harmonious organisational culture, Councillors should endeavour to resolve personal differences privately and must not prosecute them publicly through the media.

Where Councillors (including the Mayor) become aware of potential issues that could result in media interest, they should provide this information to the General Manager and Media Coordinator.

5.4 Council Staff

Council staff must not speak to the media about matters relating to the Council unless authorised by the General Manager or Media Coordinator to do so.

If Council staff receive a media enquiry or they are invited to comment to the media on a matter relating to the Council, they must refer the enquiry to the General Manager or Media Coordinator.

Council staff are free to express their personal views to the media on matters that do not relate to the Council, but in doing so, must not make comments that reflect badly on the Council or that bring it into disrepute.

If authorised to speak to the media, Council staff:

- must uphold and accurately represent the policies and decisions of the Council
- must not disclose Council information unless authorised to do so by the General Manager or Media Coordinator, and
- must seek information and guidance from the General Manager or Media Coordinator where appropriate before providing comment to the media to ensure they have the most up-to-date and relevant information and have considered reputational or other risks.

Where Council staff become aware of potential issues that could result in media interest, they should provide this information to the General Manager or Media Coordinator.

Tone

All media engagement by Council officials must be conducted in a professional, timely and respectful manner.

Induction and training

The Council must provide training to Council officials who engage or are authorised to engage with the media.

Media engagement training will be provided to Councillors as part of their induction or refresher training or as part of their ongoing professional development program.

Councillors' questions about media engagement

Councillors must direct any questions about their obligations under this policy to the General Manager or Media Coordinator.

Councillors, Council staff and other Council officials must not provide comment or information to the media that is inconsistent with official advice issued by the Council and any other agency coordinating the emergency response.

Training on media engagement during emergencies will be provided to Councillors and relevant staff and other Council officials.

8 Media engagement in the lead up to elections

This policy does not prevent the Mayor or Councillors who are candidates at a Council or any other election from providing comment to the media in their capacity as candidates at the election.

Any media comment provided by the Mayor or Councillors who are candidates at a Council, or another election must not be provided in an advertisement, newspaper column, or a radio or television broadcast paid for by the Council or produced by the Council or with Council resources.

9 Records management requirements

Media content created and received by Council officials (including Councillors) acting in their official capacity is a Council record and may be subject to information access applications made under the Government Information (Public Access) Act 2009. These records must also be managed in accordance with the requirements of the State Records Act 1998 and the Council's approved records management policies and practices.
