King Street Mall Playspace Renewal - Construction Notification

What are we doing?

Bayside Council is renewing the playspace at King Street Mall, located adjacent to Market Street. The new playspace will feature a variety of play equipment, with a focus on children aged 2 to 6 years. The upgrade will include:

- Climbing, rocking, balancing, sliding and imaginative play.
- New rubber undersurfacing.
- New seats and table around the playspace.
- New playground fencing surrounding the playspace.
- A new shade sail to replace the existing shade structure sail.
- An additional shade structure for increased shade coverage.

When are we doing it?

Construction will commence and be completed in Spring 2026, weather permitting.

For your safety please stay clear of construction zones and observe construction signage. Council apologises for any inconvenience during this time.
